

Q&A

**RFP-04-UA-2021**

- 1) CTF 1 - 3 show maximum number of participants as 20 - 30, does this include only Ukrainian students or is this both Ukrainian and US students?

**Answer: 20-30 participants is an overall quantity of participants, including Ukr Professionals and their American competition counterparts. For RFP-04-UA-2021 the program is designed for the IT security managers of Critical Infrastructure, thus all participants from Ukr side are adults.**

- 2) Task 3.1 states "General network and VPN configuration for the each of the three events separately". Can openvpn used as the method of connection to the CTF?

**Answer: Yes, OpenVPN can be used as the method of connection to CTF environment.**
